

## **Biography**

Since the early 2000's SORCERESS has graced the decks in the Melbourne scene lifting dance floors with her tribal techno beats, angel-like melodies & infectious smile. She has become something of an inspiration amongst peers, known as a DJ, festival organiser & now a producer in an ever-challenging industry. Over the past 10 years she's set a standard for quality & seamless mixes, performing at multiple festivals, clubs & events & uploading her sets for release.

She's also supported various touring artists such as techno icons Peter Juergens, Atmos, Perfect Stranger, Dosem, Christian Smith, Webhha & Citizen Kain to name just a few. 2011 saw her take the crown for the Australian Pioneer Pro Dj Search with massive support from the EDM.

Performances at many respected festivals followed on with highlights including opening for Rainbow Serpent (2014), warming up for Marc Dosem at Maitreya, headlining The Half Moon Festival Thailand, multiple appearances at Subsonic & Strawberry Fields, Future Music Festival, the 2012 Cairns Eclipse, Wide Open Space NT, Manifest, Winter Solstice, Fractangular & many more.

As a solo artist, SORCERESS has refined her style consisting of intricate rhythms & soaring melodies with a soulful & uplifting edge. Production wise mixes deep tech house with her Sorceress & Marta Kodo collaboration, & upcoming side project (Pastel Tones) consisting of a more eclectic repertoire. Her sassy, sexy & sorcery spells take you on a sound journey designed to bring the dance floor to new levels, as she glides & weaves her well recognized magic, captivating dance floors wherever she spins her craft.
